

Bank Details Notification/Amendment Form

When you commence a new contract with us, we will need your bank details. These details are required to make BACS payments so that your salary can be credited directly to your bank account and we need these details the Friday before payroll week at the latest. Bank details will be checked with you for every new contract.

If your bank details have changed or if you are working for TFPL for the first time, please complete the form below and email it to temps@tfpl.com
